

If you are looking for the "Old Fashion" girl that cares about her clients and gets involved to solve all problems and needs, I highly recommend, Jamie Lin Meirowsky.

Jamie has represented the companies I have worked with for the past 13 years, which include Northstar Lumber, Edwards, Co., Clydes Auto Body, Salida, Co., and Resort Data Processing, Avon, Co. She is very dedicated and always looking out to improve the clients health insurance benefits or any other needs you may have. Jamie is also a great friend.
